

diagnostic wax up ...

## **BENEFITS/ADVANTAGES**

**Diagnostic Wax-ups**

- Allows "Pre-visualization" for cosmetic cases
- Increased patient case acceptance
- Consistent, predetermined results- eliminate guesswork
- Use for making temporaries
- Helps create esthetically pleasing restorations
- 5 Day Turnaround

Do you want slam-dunk patient approvals of your proposed treatment plans? LK Dental Studio has your answer. A simple pre-op impression and a phone call is all it takes. Along with the wax-up, you will receive a prep guide and putty matrix to assist you in making provisionals that follow the length and contours of the wax. For consistent, predictable results, you just can't beat a diagnostic wax-up.
